Our World for You

Travel tales sprinkled with history & culture

About Our World for You

Our World for You is aimed at those seeking to get the most out of their valuable annual leave. Those who want to experience a place, feel its culture and understand its history. All with a little bit of luxury. Areas of focus are mini-breaks and road trips, also days-out around the UK. Our World for You was 'launched' in September 2016, with the preparation work starting in January 2016.

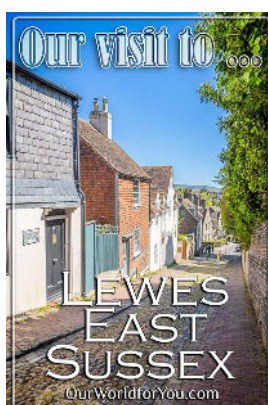

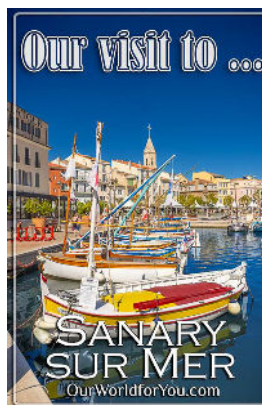

Our October

Although we have no trips planned for October, that doesn't mean we'll be staying at home. We hope to enjoy a few day trips, giving us the chance to explore more of our own country and discover new places.

On the website, we'll begin sharing our 14-day, 2,000-mile-plus EV road trip around Scotland, alongside more inspiration and practical details from our previous French adventures.

Our YouTube channel will continue following the individual stages and destinations of our French road trip. We'll also be finalising plans for our winter EV adventure to Germany's Christmas markets in late November.
